BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 92-620-C - ORDER NO. 93-103  
JANUARY 28, 1993

IN RE: Request of Southern Bell Telephone &     ) ORDER  
Telegraph Company for Approval of     ) APPROVING  
Revisions to its General Subscriber     ) TARIFF  
Service Tariff.     )

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request by Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) for revisions to its General Subscriber Service Tariff to revise the definition of "Company" to represent "BellSouth Telecommunications, Inc."

The Commission's Executive Director sent the Company a letter requiring it to advertise the tariff revision in newspapers of general circulation in the service areas. The Commission has received affidavits to show that the newspaper advertisements were published as required.

The Consumer Advocate for the State of South Carolina (the Consumer Advocate) intervened in this matter and issued Interrogatories. One of the questions asked the Company to highlight all substantive changes that Southern Bell believes will

result from the change in the definition of the word "Company." The response furnished by the Company was that no substantive changes would result from the change in the definition of the word "Company" to "BellSouth Telecommunications, Inc." According to the Company, the filing of this revision to the Company's General Subscriber Service Tariff does not change the Company's organization, and that the revisions to the language merely reflect changes to the organization that have previously occurred. After receiving this and other answers to its Interrogatories, the Consumer Advocate subsequently withdrew its intervention.

After consideration of the above-stated interrogatory response, the Commission believes that the request for revisions should be approved. Obviously, the change in the definition of the word "Company" results in no changes to the Company, but merely reflect changes to the organization that have previously occurred.

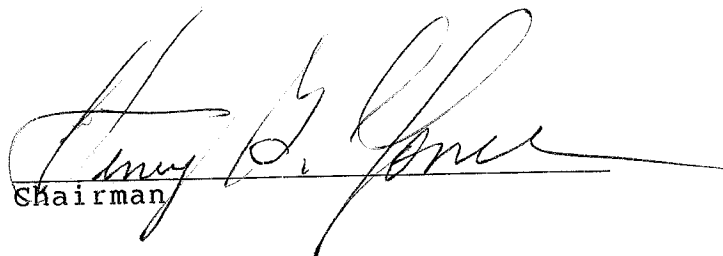

THEREFORE, IT IS ORDERED THAT:

1. Revision of the definition of "Company" to represent "BellSouth Telecommunications, Inc." in the General Subscriber Service Tariff is hereby approved.

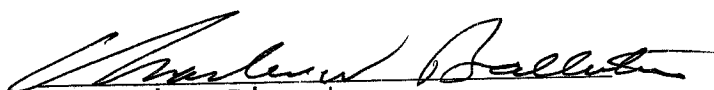

2. That this Docket shall hereby be closed.

3. That this Order shall remain in full force and effect until further Order of the Commission.
